Guidelines for Scanning the Photograph & Signature

Before applying online a candidate will be required to have a scanned (digital) image of his/her photograph and signature as per the specifications mentioned below. Online application will not be registered unless candidates upload photo and signature as specified.

Note: In case the face in the photograph or signature is unclear, the candidate's application may be rejected.

I. PHOTOGRAPH IMAGE:
- Photograph must be a recent passport size colour picture and must be true image representation of the candidate. Any attempt to use morphed photograph will result in immediate rejection of the candidature.
- The picture should be in colour, against a light-coloured, preferably white, background.
- Look straight at the camera with a relaxed face.
- If the picture is taken on a sunny day, have the sun behind you, or place yourself in the shade, so that you are not squinting and there are no harsh shadows.
- If you have to use flash, ensure there’s no “red-eye”.
- If you wear glasses make sure that there are no reflections and your eyes can be clearly seen.
- Caps, hats and dark glasses are not acceptable. Religious headwear is allowed but it must not cover your face.
- Dimensions 200 x 230 pixels (preferred).
- Size of file should be between 20kb–50kb.

II. SIGNATURE IMAGE:
- The applicant has to sign on white paper with Black Ink pen.
- The signature must be signed only by the applicant and not by any other person.
- If the Applicant’s signature on the answer script, at the time of the examination, does not match the signature on the Attendance Sheet, the applicant will be disqualified.
- Dimensions 140 x 60 pixels (preferred).
- Size of file should be between 10kb – 20kb.

III. SCANNING THE PHOTOGRAPH & SIGNATURE:
- Set the scanner resolution to a minimum of 200 dpi (dots per inch).
- Set Color to True Color.
- File Size as specified above.
- Crop the image in the scanner to the edge of the photograph/signature, then use the upload editor to crop the image to the final size (as specified above).
- The image file should be in JPG or JPEG format. An example file name is: image01.jpg or image01.jpeg. Image dimensions can be checked by listing the folder files or moving the mouse over the file image icon.

Candidates using MS Windows/MS Office can easily obtain photo and signature in .jpeg format not exceeding 50kb & 20kb respectively by using MS Paint or MS Office Picture Manager. Scanned photograph and signature in any format can be saved in .jpg format by using ‘Save As’ option in the File menu and size can be reduced below 50kb (photograph) & 20kb (signature) by using crop and then resize option [Please see point (i) & (ii) above for the pixel size] in the ‘Image’ menu. Similar options are available in other photo editors also.

If the file size and format are not as prescribed, an error message will be displayed.

While filling the Online Application Form, candidates will be provided with a link to upload his photograph and signature.

Procedure for Uploading the Photograph and Signature
