

TRAFFIC RULES & REGULATIONS FOR TWO-WHEELER RIDERS

WE CAN AVOID ACCIDENTS BY FOLLOWING GUIDELINES:

1. While riding always carry your original driving license and important documents such as your vehicle registration certificate, insurance certificate, road tax token.
2. MUST NOT carry **more than one** pillion rider and he/she MUST sit astride the machine **on a proper seat and should** keep both feet on the footrests.
3. Make yourself as visible **as possible** from the sides as well as the front and rear. You could wear a white or brightly coloured helmet.
4. You should be aware of what is behind and on the sides before maneuvering. Look behind you; use mirrors if they are fitted.
5. Wear bright coloured clothing to improve your chances of being seen in the dark.
6. Don't mix drinking with riding.
7. Follow the traffic signals, lights and signs, and always stop before the STOP LINE at traffic intersections when you see a red traffic light or the Policeman signals you to stop.
8. Avoid using the cell phone while riding. If urgent move to left, stop and then take the call.
9. Do not ride at high speeds. You may lose control and your life will be in the bargain.
10. MUST wear a protective helmet. Helmets MUST comply with the Regulations and they MUST be fastened securely.
11. Do not ride or wheel your vehicle on to the footpath.
12. Use your lights when riding at night.
13. Understand the signals given by other road users and use the same when riding.
14. Never stop abruptly in traffic. Move to the left and slow down.

15. When passing a stationery vehicle allow sufficient clearance for the car doors which may open suddenly.
16. Do not try and weave your way through stationery or slow moving traffic. It may cause accidents.
17. Always ride with both hands on the handlebar except when signaling.
18. Don't sit children on fuel tanks or stand them in front of the rider.
19. Avoid using brakes at turns. If needed, ensure both brakes are applied gently.
