CIRCULAR

The State Bank of India has informed that they have an insurance policy for a premium of Rs. 1000/- (Rupees one thousand only) per annum and the sum assured is Rs. 20 Lakh (Rupees Twenty Lakh Only) in case of accidental death. It is also suggested that police personnel may opt for this scheme and those who are willing may send names by return signal to Account Section, Police Headquarters so that same can be deducted from salary account for the insurance. This insurance doesn't covers death caused by disease such as cardiac arrest etc. The annual charge i.e. Rs. 1000/- per annum is not refundable.
