

## PARAKRAM VANS DEPLOYED AT STRATEGIC LOCATIONS

In view of the sensitive security scenario at international borders and recent intelligence inputs, as a comprehensive anti terror response mechanism and to provide adequate anti terror cover at vital installations and vulnerable places, five Parakram vans have been developed at strategic locations of A & N Islands. Especially trained commandos (from NSG) man all Parakram vehicles. They are equipped with high fire power sophisticated weapons and gadgets to deal with emergency situation.
