| ii. SP (nominated by DGP)  | - Member   |
| iii. PRO   | - Member   |
| iv. An officer from other department<br>having technical knowledge | - Member   |

The Physical Measurement/Endurance/Written test will be conducted by the Selection Board or other Selection Committee(s) nominated by the Director General of Police. The Selection Committee(s) so nominated will be headed by an officer not below the rank of Superintendent of Police. All the proceedings of the Physical Measurement/Endurance/Written Test will be duly video-graphed.

All candidates who qualify the Physical Measurement and Endurance test will appear in the written test as mentioned above. The question papers for the Written Tests will be prepared in strict secrecy by a Secrecy Officer/ Secrecy Board nominated by the DGP. The answer sheets shall be evaluated by officers/officials with sufficient academic knowledge and experience in the field concerned and as nominated by the Chairman of the Selection Board. Secret numbering of answer sheets will be done before evaluation by the Secrecy Officer/ Secrecy Board. The result of the written test should be declared as soon as possible. The minimum qualifying marks in the written test will be decided by the chairman depending on the number of the candidates available and the vacancies existing. The qualifying marks shall under no circumstances be less than 40% in aggregate of the three papers. However, if adequate numbers of ST candidates satisfying the minimum cut-off marks are not available, the same may be relaxed in the case of ST candidates, provided they are not considered otherwise unsuitable. The final list of the selected candidates, in order of merit, will be prepared by adding the aggregate scores obtained by candidates in the written test out of 200. The list of selected candidates shall be declared based on merit and number of vacancies notified/existing.

**4) Medical Standards:**

The successful candidates shall be subjected to a medical examination as given below:-

- i. Minimum distant vision should be 6/6 and 6/9 of two eyes without correction i.e. without wearing glasses. The candidates should not have colour blindness.
